

## Students Saving Summer

Local students have the opportunity to earn scholarships by organizing and hosting a successful blood drive through our Students Saving Summer Scholarship Program.

Students that participate in our Students Saving Summer Scholarship program have the opportunity to earn money for their secondary education. Scholarships will be awarded to the students that hold the top five producing blood drives. Each winner will receive a \$1,000 scholarship made payable directly to the college, university or other learning establishment of their choice.

There are four basic elements to this community service project that the participating students must accomplish in order to qualify for the Saving Summer Scholarship:

- 1 Choose a blood drive location in your community (School Facility, House of Faith, CBCC bloodmobile, etc.)
- 2 Select a date and time between the months of June and September
- 3 Recruit friends, family members and neighbors to donate
- 4 Collect a minimum of 25 units

*To learn more about the Saving Summer Scholarship Program and to connect with a representative in your area, please contact Kim Jones at 704-972-4727 or via e-mail at [KLJones@cbcc.us](mailto:KLJones@cbcc.us).*

we all have the power to heal. it's in our blood.®
